
Spss 17 License Key

I want to reinstall SPSS 17 on a new machine for one of the users. Could you help me generate a license key based on the authorization code. Thank you in advance I'm going to say that there is no way to change an existing authorization code from the SPSS command line. You will not be able to reinstall SPSS without the original authorization code. However, if you really want to change the authorization code, you can use the spstemp command line tool to create a new entry. It tells you what needs to be done. Then, if you want to change the authorization code, you can edit
