

. other than them being from different areas ofÂ . Remove items with extension "el\_ssd.zip" from list. Here's how to remove these items from list: Select "Remove items with extension", a file with extension "el\_ssd.zip" appears. click on it (Select button), a dialogue "Choose target" appears, click OK button and all the items with extensions "el\_ssd.zip" will be removed from list. Sometimes we may need to run keystrokes on a document. We may need to print, copy or paste the content. If you find inking, cutting or pasting for documents to be a hassle, we have an alternate solution for that. Just create a shortcut of that document (or part of that) to a Keyboard Program, any of which can take that shortcut and perform whatever action that shortcut was assigned to. You can take shortcuts like this only on a document or a group
