This saves contains the following files; Generic.cfa NA.cfa RB.cfa Game_DB.cfa Engine.cfa GameTypeDefs.cfa Resources.cfa Textures.cfa AIGame.cfa Changes.scpr ImageData.cfa Fonts.cfa Data.cfa GameState.cfa Sound.cfa Config.cfa PerGame.cfa You have a great sport of developing for the Mac, and you're helping to make the Mac community a safer place to browse, download, and play. Thank you, and we'd appreciate it if you can keep us updated here and on our forums . Once you're registered, you'll need to download the Patch 2 files from the 'Creations' section, when you've done that, you'll need to unzip them in a folder somewhere, it doesn't matter where, then you'll be ready to begin! This program allows you to change values of the game world (eg. reduce chances of getting knocked into a pit, or eating slime, or dropping your item). You don't have to own the game and have the game CD, all you need is to download this program. This program modifies the game's data, so if you have the game as a Steam version, you will need Steam's keys from there, then use this program. In addition to game code management and management solutions, White Tiger Technologies has developed game modification and asset management solutions to assist the gaming community in the development of its games. These solutions have saved thousands of man-hours and countless dollars for customers in the game industry. From diagnostic and anti-cheating tools to file management to tools to help organize and streamline the development process, the White Tiger Technologies team of custom programmers have developed a number of the most popular tools used by today's game developers. 5ec8ef588b
