## Old Boy Korean Movie Eng Sub Torrent!

the plot begins, after the trapped people have to use their means to survive, then the fight begins. the best way for them to survive is just to keep the calm, and just use their hands to find ways to catch the food and water. when the food and water run out, they have to find other ways to survive, like gathering food and building their shelter to avoid the attacks from the attacking wild animals. the plot focuses more on the bonding and relationships between the people as they struggle to survive. the seven-episode drama is about a long-time couple who falls in love for the first time in their life. wul jong gil (played by lee kwang soo) is an ordinary husband with a stable family life. he is about to retire from his corporate job. not knowing what will come up after his retirement, he prepares to spend his retirement as a happy husband and a father. as wul jong gil prepares to retire, he tells his wife that he wants to spend their last moments together as a newlywed couple. in order to fulfill his desire, he starts to chase after ji young (played by kim min ja). while attending a dinner party held by his friend, jong gil is given a package that is addressed to him by an anonymous sender, which is a love letter written by ji young. a man runs from his life of crime, and enters a shelter for criminals to be reformed. he wants to change his life of crime, and fully becomes a new man. but when he is reprimanded for committing a crime against the shelter, the man doesn't listen. instead, he tries to save himself from being punished, and leaves the shelter. 5ec8ef588b
