I am not at all clear if that is true or not but I can see a lot of developers who make such a blatant claim. if this isn't true, it should have a footnote to explicitly explain this. C'mon, why hide it? But, actually, one of my users was trying to buy a jar of her own precious salt and agave. It was offered as a present, a gift from a customer who had given her a review. All of the top 100 most expensive, all of the top 10, and a good chunk of top 5 tend to agree (so that's what I trust) but there are also some that claim to have cracked it and others that claim it is virtually impossible to crack. . I made a post on the Amazon forums with good results, suggesting that others try that avenue.
